PROFESSIONAL SUMMARY

MERN Stack Developer with hands-on experience in building responsive web applications using HTML, CSS, JavaScript, React.js, Node.js, Express.js, MongoDB and REST APIs. Completed a 6-month internship with practical experience in frontend development and web application development. Built multiple projects demonstrating skills in responsive UI design, React.js, API integration, backend development and database connectivity. Looking for an opportunity to contribute to a development team while continuing to grow as a MERN Stack Developer.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript, React.js, Vite, Tailwind CSS, React Router

Backend: Node.js, Express.js, REST APIs

Database: MongoDB, MongoDB Atlas, Mongoose

Tools: Git, GitHub, VS Code, Postman

EXPERIENCE

BINARYSTITCH SOFTWARE LLP

Frontend Developer Intern | Nov 2025 – May 2026

- Developed and maintained responsive web pages using HTML, CSS, JavaScript and React.js.
- Worked on user interface development and improved responsive layouts for different screen sizes.
- Collaborated with the development team, learned new technologies quickly, and contributed to web application development.

PROJECTS

Student Management System

MERN Stack | React.js | Node.js | Express.js | MongoDB

- Developed a full-stack student management application with React.js frontend and Node.js/Express.js backend.
- Implemented CRUD operations with MongoDB and Mongoose, including adding, viewing, updating and deleting student records.
